Govt have already sanctioned the following amounts for contingent expenditure:-

1. upto 15th April ₹ 29-11-2
2. 15.4.22 to 7.5.22 ₹ 23-18-1.

When the above amounts were sanctioned it was remarked that the scale of expenditure was high, but it was thought that subsequent expenditure would be moderate as the ~~Egon~~ the necessary office equipment had by then been provided.

My present statement of amounts for ₹ 57. 10. 24, Of this ₹ 21-0-0 is for office rent for 5 weeks which will be allowed by the Comptroller as the higher rate of A is intended to cover rent also. The balance of ₹ 36-10-24/2 is still very high for 5 weeks. (This however relates to the period before orders were passed limiting the expenditure to ₹ 25 a month). When the rate of ₹ 2a day was sanctioned it was intended to cover all expenditure incurred by Mr R. Rao Sahib for official purposes including office rent, and all incidental expenses except payments to establishment of ~~the~~ Contingencies. The latter was intended mainly to cover postage,
